

## Manufacturing/Production Technician

Ready to transform your job into a rewarding career? Imagine a 4-day work week and a role where your attention to detail truly shines. Join an industry leader in the thrilling world of racing and enjoy exceptional benefits. Five Star is on the lookout for passionate and dynamic Manufacturing/Production Technicians to elevate our team. Are you ready to seize this exciting opportunity?

### Responsibilities:

- Laminate composite race car body parts by applying layers of cloth fiberglass and resin.
- Build up layers of materials, ensuring the removal of any air bubbles or creases.
- Inspect parts meticulously to identify and correct imperfections before hardening.
- Master the use of various molds to become an expert craft worker.
- Utilize a razor knife and other hand tools as required.

### Requirements & Qualifications:

- Preferred Experience: Previous experience in manufacturing, though not mandatory, is highly beneficial.
- Hand Tools Proficiency: Experience with hand tools or a knack for fixing things is advantageous.
- Surface Preparation Skills: Experience with spray painting, sanding, buffing, or grinding is a significant plus.
- Trade Skills: Background in carpentry, trades, building, or machine operation is helpful.
- Job Stability: A history of solid job performance and a willingness to grow with our company.

2<sup>nd</sup> Shift: Mon - Thurs 3:00 pm – 1:00 am

\*\* If you have experience in warehouse, general labor, landscaping, quality, painting, assembly, machine operation - you have the skills we are looking for to be our next manufacturing/production technician.
