

# NORTHEAST MODIFIED

## NEW PLASTIC DOOR & QUARTER PANELS

UNMATCHED DURABILITY FOR THE BEASTS OF THE NORTHEAST

THE PREMIER BODY PANELS IN DIRT RACING

### PLASTIC DOORS

Door, left	34200-21051-xL	\$149
Door, right	34200-21051-xR	\$149

### PLASTIC QUARTER PANELS

Quarter Panel, left	34200-27351-xL	\$119
Quarter Panel, right	34200-27351-xR	\$119

- » Exclusive MD3 molded plastic panels provide unmatched durability
- » Repeatable flange fit panels for easy installation and replacement
- » Molded wheel well & nerf bar mounting holes
- » Meets all flame resistance test requirements
- » Approved for competition by all major national sanctioning series
- » Available in 5 colors **-W -B -G -CB -R**

### PLASTIC ROCKER PANEL

- » Aerodynamically designed for the best side force
- » These 77-3/4" x 7-1/4" lightweight, high-impact plastic rockers are aerodynamically designed for the best side force
- » They are easy to mount & add structural integrity to side body panels
- » Available in 11 colors

	<b>-W -B -G -CB -R -Y -OR</b>	<b>-FG -FO -FR -FY</b>
Rocker Panel	007-5500-x	\$40EA \$46EA

### MD3 ADHESION PROMOTER

- » Specifically engineered adhesion promoter assures proper paint bonding to our special plastic
- » Other automotive grade primers on the market may not work at all or cause severe paint flaking
- » Improves adhesion of vinyl by enhancing the bond between adhesive on the vinyl and the substrate, for a more durable, long-lasting application
- » Comes in an aerosol spray can for quick and easy application
- » A single can coats approximately 5 individual parts

MD3 Adhesion Promoter	842	\$16
-----------------------	-----	------

ENGINEERED THROUGH THE DRIVER'S EYES

# **BODY MOUNTING TOOLS, BRACING & ACCESSORIES**

**PRODUCTS ESSENTIAL FOR A COMPLETE,  
PROFESSIONAL LOOKING RACECAR**

- » **MOUNTING TOOLS:** Ensure a professional body installation and easily replace panels throughout the season with a quick, hassle-free process
- » **UNIVERSAL BRACING:** Support body panels with these lightweight components essential to achieving astounding aerodynamics
- » **ACCESSORIES:** Everything you need to give your racecar that extra finishing touch!

## FIVE STAR PREMIUM AVEX STYLE MULTI-GRIP RIVETS

- » Five Star Rivets have a super-tight grip & won't spin while drilling
- » Grip range of up to 3/16" for 1/8" rivets & up to 1/2" for 3/16" rivets
- » Use long shank rivets for fastening fender, door, & windshield post together
- » Sold in quantities of 100 & 500; large head & small head with choice of 1/8" unpainted or 3/16" unpainted, white, black, blue, or red

SIZE/DESCRIPTION	QTY	SMALL	LARGE	
3/16", color	100	814x-100S	814x-100L	\$17

3/16", unpainted	500	816-500S	816-500L	\$53
1/8", unpainted	100	815-100S	815-100L	\$13
1/8", unpainted	500	815-500S	815-500L	\$48

Provide a secure installation of your body panels with Five Star Rivets & Washers!

Five Star Rivets pull much tighter than other, cheaper rivets.

Washers are oversized to fit with Five Star Rivets and keep rivets tight no matter how much vibration

## FIVE STAR PREMIUM WASHERS

- » Five Star Premium Washers are lightweight & available in 3 sizes
- » Recommended for all plastic & composite body panels to keep them tight & prevent rivets from pulling out

TYPE	SIZE (I.D.)	SIZE (O.D.)	QTY		
Standard	1/8"	3/8"	100	817-100A	\$9
Standard	1/8"	3/8"	500	817-500A	\$25
Standard	3/16"	1/2"	100	818-100A	\$9
Standard	3/16"	1/2"	500	818-500A	\$25
Large	3/16"	3/4"	100	818-100AL	\$9
Large	3/16"	3/4"	500	818-500AL	\$25

## HIGH-IMPACT PLASTIC WEAR STRIPS

- » Height adjustable to seal the nose to the track to optimize aero & protection from wear
- » CNC-machined from Five Star's exclusive durable plastic
- » 2-piece kit fits either side
- » Install with Five Star Universal Body Mounting Kits
- » Available in 10 colors **-W -B -CB -R -Y -OR -FG -FO -FR -FY**

FULLY INSTALLED WINDOW BRACE KIT

WEIGHS LESS THAN 2 LBS

**IMPORTANT:**  
USING RIVETS APPLIES TOO MUCH PRESSURE TO YOUR WINDOW & WILL FRACTURE THE POLYCARBONATE

### WINDOW INSTALLATION KIT

- » Using proper hardware provides the perfect fit & helps to increase the life of your window
- » Black oxide coated to prevent rust
- » Enough hardware to install a complete set of windows on one car
- » **Kit includes:** 120 6-32 1/2" & 16 6-32 3/4" flat head socket screws, 136 6-32 nylon locknuts, 1 long-arm hex key & 9/64" drill bit

Window Installation Kit	805	\$27
-------------------------	-----	------

### WINDOW INSTALLATION COUNTERSINK DRILL BIT

- » 3/8" diameter steel bit, 1/4" shank
- » Use this drill bit to countersink holes perfectly for window screw installation into polycarbonate!
- » Ensures a flush fit and a secure hold every time
- » Not required for pre-cut to fit, beveled, & drilled windows

Drill Bit	805-1	\$19
-----------	-------	------

## RIGHT SIDE DOOR SUPPORT

- » Easily adjust your right side door to the proper width
- » This piece connects your right side door bar to your door
- » .080" thick aluminum laser-cut to reduce weight
- » Laser cutting allows for precise, consistent shape & weight
- » Slotted mounting holes allow for easy inner & outer door adjustments to proper width
- » Weighs under 2 lbs

FULLY INSTALLED 11002-75533

Aluminum Door Support	11002-75533	\$30
-----------------------	-------------	------

FITS THESE BODY STYLES: ABC NEXTGEN, ABC, S2 SPORTSMAN, NORTH AMERICAN SPORTSMAN, SHORT TRACK TRUCK, DIRT GRAND NATIONAL

## DRILL BIT KIT

- » Special double-ended drill bits
- » These bits drill a slightly larger diameter hole than a standard 1/8" or 3/16" bit to prevent stress cracks in the material
- » The short drill shaft makes drilling in tight places easier
- » Kit includes: 2 9/64" double-ended drill bits & 2 #30 double-ended drill bits

Drill Bit Kit	806	\$18
---------------	-----	------

CLECOS HAVE BEEN INSERTED TO TEMPORARILY HOLD PANELS DURING THE BODY MOUNTING PROCESS

## CLECO KIT & PLIERS

- » Precision has never been this easy! Cleco Pliers & Cleco Fasteners ensure perfect alignment every time
- » Clecos can be easily inserted with the Cleco Pliers to temporarily hold panels during the body mounting process
- » Our Cleco pliers are engineered for comfort & built to last, ensuring a secure grip & maximum control
- » Choice of 1/8" 25-piece Cleco Kit or 3/16" 25-piece Cleco Kit

1/8" Single Spade Kit, long	812	\$28
3/16" Single Spade Kit, long	813	\$36
Cleco Pliers	811	\$12

FOR ABC, LMSC, S2, STRAIGHT-UP METAL, DIRT GRAND NATIONAL

## GREENHOUSE-TO-QUARTER PANEL BACK-UP PLATES KIT

- » Recommended for molded plastic quarter panels
- » Reinforce the flanges where the rear greenhouse meets the quarter panels
- » Universal fit for all greenhouse-style quarter panels
- » Each back-up plate is 60 X 1-12"
- » **Kit includes: 2 pre-cut aluminum strips**

2-Piece Kit	000-278	\$7
-------------	---------	-----

## QUARTER PANEL BODY BRACE KIT

- » Stiffens the quarter panel to maintain correct shape in an aero sensitive area
- » Highly recommend bracing for tracks 1/2-mile & longer
- » Laser-cut aluminum braces have pre-drilled holes for brace attachment
- » **Kit includes: 2 braces that mount approximately 6" back from the wheel opening & 2" up from the bottom ledge**

Brace Kit, 2-Piece	11002-75433	\$39
--------------------	-------------	------

WEIGHS ONLY 1 LB

## ADJUSTABLE BODY BRACES

- » Used for spoiler & roof supports & anywhere on your car to fit templates & meet other critical dimensions
- » Easy installation with ends shaped for included screw kit or 2 rivets
- » Adjustable from 8" to 10-1/2" & features durable anodized black finish & zinc-plated hardware
- » Add extra support without adding excess weight! Package of 2 weighs only 1/2 lb
- » Can also be attached to Five Star's Chassis Clamps for quick & easy adjustable bracing on your chassis

Body Braces, 2 pack	807-3	\$35
---------------------	-------	------

EASY INSTALLATION WITH ENDS DESIGNED FOR USE WITH THE INCLUDED SCREW KIT OR 2 RIVETS

## STEEL TUBING INSTALLATION KIT

- » 55 feet of .035" hard-to-find, lightweight steel tubing for any miscellaneous needs on a race car
- » Will save at least 12 lbs over standard .065" steel tubing
- » Kit includes various shapes and sizes in 60" lengths

11-pieces: 60" lengths	819	\$79
------------------------	-----	------

Number	Shape	Diameter	Thickness	Length
1	(3) round	3/8"	.062"	60"

3	(2) round	1/2"	.062"	60"
4	(3) square	3/4"	.049"	60"

## FORMED POLYCARBONATE BODY BRACES

- » Universal brace to fit any applicable area of your car
- » Each lightweight brace weighs only 7 oz
- » Absorbs impact & allows body panels to flex upon impact & return to original position & shape
- » Kit includes: 7 clear polycarbonate braces & 14 1"x2" aluminum mounting tabs

Polycarbonate Braces	804	\$33
----------------------	-----	------

BRACES ARE SHOWN WITH PROTECTIVE MASKING

## ALUMINUM CUSTOM BRACING KIT

- » Build your own custom-length bracing as short as 6" or as long as 40"
- » Order as many tubing kits or end assemblies as needed to custom brace your car
- » Threaded end assemblies can be bolted, riveted, or attached with hose clamps
- » Complete kit includes: 1 aluminum tubing kit; 1 threaded end assembly kit; 1 left & 1 right 1/4-20 reusable tap
- » Aluminum Tubing kit includes: 2 7/16" x 3' hollow hex rods. Cut to desired length & can be tapped easily
- » Threaded End Assemblies kit includes: 2 right and 2 left threaded ends, 2 hose clamps that weighs 7.5 oz

Complete Kit	807	\$68
<b>REPLACEMENT PARTS</b>		
Tubing Kit, 2-Piece	807-1	\$29

# THE PERFECT SURFACE PREP FOR PLASTIC

## MD3 ADHESION PROMOTER

FAST DRYING & NON-SANDING

### MD3 ADHESION PROMOTER

- » Specifically engineered adhesion promoter assures proper paint bonding to our special plastic
- » Other automotive grade primers on the market may not work at all or cause severe paint flaking
- » Improves adhesion of vinyl by enhancing the bond between adhesive on the vinyl and the substrate, for a more durable, long-lasting application
- » Comes in an aerosol spray can for quick and easy application
- » A single can coats approximately 5 individual parts

MD3 Adhesion Promoter	842	\$16
-----------------------	-----	------

» A MUST USE PRODUCT BEFORE PAINTING OR APPLYING VINYL ON ANY FIVE STAR PLASTIC PART

### FIVE STAR PLASTIC WINDOW CLEANER

- » This specially formulated anti-static foaming spray contains no chemicals or abrasives that will cause damage to plastic
- » Lifts grease, grime, and wipes off fast and easy to provide a streak-free clean and clear surface finish

Window Cleaner, 19oz Can	843	\$9.95
--------------------------	-----	--------

### » FIVE STAR CLEANING TIPS!

- » ALWAYS AVOID USING ABRASIVE CLEANERS & CHEMICAL SOLVENTS THAT CAN EASILY CAUSE DAMAGE TO POLYCARBONATE WINDOWS
- » USE A MICROFIBER TOWEL FOR BEST, STREAK-FREE FINISH
- » TO PREVENT SCRATCHING AND HAZING ON YOUR WINDOWS, NEVER SCRUB WITH BRUSHES OR ABRASIVE MATERIALS
