Provide a secure installation of your body panels with Five Star Rivets & Washers!

Five Star Rivets pull much tighter than other, cheaper rivets.

Washers are oversized to fit with Five Star Rivets and keep rivets tight no matter how much vibration

FIVE STAR PREMIUM WASHERS

- » Five Star Premium Washers are lightweight & available in 3 sizes
- » Recommended for all plastic & composite body panels to keep them tight & prevent rivets from pulling out

FULLY INSTALLED WINDOW BRACE KIT

WEIGHS LESS THAN 2 LBS

IMPORTANT:
USING RIVETS APPLIES TOO MUCH PRESSURE TO YOUR WINDOW & WILL FRACTURE THE POLYCARBONATE

WINDOW INSTALLATION KIT

- » Using proper hardware provides the perfect fit & helps to increase the life of your window
- » Black oxide coated to prevent rust
- » Enough hardware to install a complete set of windows on one car
- » **Kit includes:** 120 6-32 1/2" & 16 6-32 3/4" flat head socket screws, 136 6-32 nylon locknuts, 1 long-arm hex key & 9/64" drill bit

| | | |
|-------------------------|-----|------|
| Window Installation Kit | 805 | \$27 |
|-------------------------|-----|------|

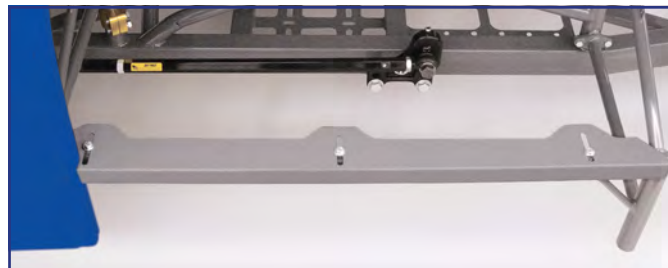

WINDOW INSTALLATION COUNTERSINK DRILL BIT

- » 3/8" diameter steel bit, 1/4" shank
- » Use this drill bit to countersink holes perfectly for window screw installation into polycarbonate!
- » Ensures a flush fit and a secure hold every time
- » Not required for pre-cut to fit, beveled, & drilled windows

| | | |
|-----------|-------|------|
| Drill Bit | 805-1 | \$19 |
|-----------|-------|------|

RIGHT SIDE DOOR SUPPORT

- » Easily adjust your right side door to the proper width
- » This piece connects your right side door bar to your door
- » .080" thick aluminum laser-cut to reduce weight
- » Laser cutting allows for precise, consistent shape & weight
- » Slotted mounting holes allow for easy inner & outer door adjustments to proper width
- » Weighs under 2 lbs

FULLY INSTALLED 11002-75533
